

Trade Union Facility Time

Background

The Trade Union (Facility Time Publication Requirements) Regulations 2017 came into force on the 1st April 2017. These regulations place a legislative requirement on relevant public sector employers to collate and publish, on an annual basis, a range of data on the amount and cost of facility time within their organisation.

2022/23

This is to confirm that during 2022/23 the schools in the Trust had no trade union officials and therefore no other costs for paying employees for trade union facility time.
