

Curriculum Underpinning Principles: KASE

Our underpinning principles outline the **K**nowledge, **S**kills and **E**xperiences that pupils are entitled to at CRST schools and the conditions in which our core **A**tttributes of character will be nurtured, as we seek to **develop exceptional learners** who can thrive in an ever-changing world

Designing Great Learning The cycle

Our recommended “Learning Model” can be described *as a flexible cycle*; these components are within all sequences.

10 Components of Great Teaching and Learning
